If ordering a walker for toileting or transferring only, but a wheelchair is needed to complete activities of daily living in the home, progress notes must indicate why the walker and wheelchair are needed.

The following criteria must be met for the above selected item to be covered.

* The beneficiary has a mobility limitation that significantly impairs his/her ability to participate in one or more MRADL in the home.

A mobility limitation is one that:

1. Prevents the beneficiary from accomplishing the MRADL entirely, or
2. Places the beneficiary at reasonably determined heightened risk of morbidity or mortality secondary to the attempts to perform the MRADL, or
3. Prevents the beneficiary from completing the MRADL within a reasonable time frame

AND

- * The beneficiary is able to safely use the walker/cane/crutches; and
- * If Cane or Crutches are ordered - The functional mobility deficit can be sufficiently resolved with use of the cane/crutches.
- * If a Walker is ordered - The functional mobility deficit can be sufficiently resolved with use of a walker and cane or crutches have been tried and ruled out.

If the criteria are not met, or proper documentation is not received the walker/cane/crutches will be denied as not medically necessary.
